THE ED

We caught up with sexy redhead Vicky a couple of months ago, at her home, out in the British countryside. It was such a glorious day, we suggested doing the shoot outside, which she immediately agreed to. We found out that she likes nothing more than stripping down to her birthday suit, and 'feeling at one with nature', as she told us. We have to admit that we enjoyed a bit of bird-watching that afternoon...

SUZIE

visit www.paulraymond.com

Blonde bombshell Suzie caused a stir last time she appeared in Razzle MILF, so we thought we'd better sk her back in! She seems to be getting used to being a minor celeb in her home town, as she tells us, "I've been recognised a few times now - once in the queue at the supermarket, for goodness sake! I do feel very flattered, mind you!"

True Con

Could you have a girlfriend and husband at the same time? Just ask Kelly from Windsor...

I had known Liz for many years, and had always known I was bisexual – long before I met my husband, Jim. Jim was quite happy with the idea of me having been with another woman before we got married, but initially seemed shocked when I wanted to keep Liz as both a friend and lover after he and I exchanged vows.

The only way I knew that it would work was if Liz and Jim could share me, and enjoy each other. As it turned out, it happened sooner than I expected, but that made it even more special. Liz and I only got together about twice a year as she lives in France, but when I rang her to say I was engaged, she insisted that Jim and I go out and spend the weekend with her, so that she could meet the lucky guy.

Liz is very petite, with long blonde hair and gorgeous boobs, and she has the most suckable nipples. I was confident that Jim would get on with her straight away, and I wasn't wrong. As soon as they met I could see them taking the other in. Jim was obviously impressed, and Liz gave me the sign to say she liked what she saw. He even held the car door open for her so that he could have a crafty look up her skirt as we all clambered in to go back to hers.

Although Liz and I had spent many happy hours together naked, kissing and licking one another, playing with our large selection of toys - and as any girl will know, the occasional bit of fruit and veg - I was surprised when we arrived at her house to find some of her toys on her bedside cabinet along with a banana and a very large cucumber. When I remarked that she had been a busy girl, she smiled replied, "Not yet, but I will be later!"

After a very lazy supper with plenty of wine, I found myself sitting between Jim and Liz and they were both stroking my legs as we sat there.

I lent over and kissed Jim before slowly placing my hand on his cock. I then turned and kissed Liz before sliding my hand up her skirt, revealing her naked thighs as she opened her legs for me. She had removed her panties, and I could feel the heat from her cunt as my fingers slid between her pussy lips. It didn't take long before my fingers were soaked and I pulled them out to lick the juices off. I even let Jim have a taste so that he could see what I meant when I said she tasted divine. As I sat there with my fingers in Liz's bald pussy, gently circling her clit, Jim stood up and walked to the side of her chair, unzipped his trousers and pulled out his semi erect cock, rubbing it along Liz's open mouth. Liz swallowed as much of him as she could and started to bob her head, as Jim undid her top to display her fantastic tits. After a few minutes, Liz suggested we go indoors rather than give the neighbours a free show, and led the way to her bedroom.

"I could feel the heat from her cunt..."

I stood in front of her and she removed my clothes, while Jim stood behind her and started to remove hers. It didn't take long before both of us were naked, apart from my stockings and suspenders, and we then turned on Jim and stripped him off. As Liz and I pulled down his jeans we were both level with

his cock and took it in turns to lick it and suck it for a few moments. Liz and I then got into our favourite position so that we could bury our tongues in each other's sweet tasting pussies. I was in heaven as she licked my very sensitive cunt and I buried my tongue deep in hers. Jim was stood behind Liz, and as I flicked my tongue across her clit, Jim slid his cock deep inside her. I could feel her mouth clamp down on my twat as he took her quickly from behind. As Jim slipped in and out of her, her juices oozed from her and dribbled onto my tongue and face. It felt absolutely amazing, and we both came very quickly.

Jim stood back and watched for a while as we slowly licked one another clean, then lay down together kissing and fondling one another's breasts. After a few minutes, Jim asked us both to bend over the bed. As we knelt there with our bums and pussies exposed, he buried his cock in my cunt for a few strokes before slipping it inside Liz's. I could hear the squelching noises as he pushed right into her, and slid my finger between her lips to play with her, as she got well and truly fucked.

"...as my fingers slid between her pussy lips"

After we'd both had a good fucking from behind, Jim pulled out and, as we sat there with our mouths open, he came all over our faces, splashing cum everywhere. As he squeezed the last drop out of his still hard cock, Liz reached up and scooped it off with her tongue, before kissing me passionately.

As Jim sat on the bed, Liz and I got to work cleaning each other up. I licked as much of the cum off her face and neck as I could, and then got a cloth from the bathroom to collect the rest from her hair. Liz then cleaned me before she turned her attention to Jim's limp cock. As she gently cleaned it with the warm cloth, I could see his erection growing. And as Liz paid attention to him, I took hold of one of the toys and guided it slowly up her wet pussy.

It didn't take long before she was pushing back hard against the toy, and I selected an even bigger one to really stretch her wide. Pretty soon, though, I decided it was time for the fruit and veg. I started with a banana, before slowly sliding the cucumber up her swollen pussy. Liz loved it and came many times, as I fucked her rigid and she sucked happily on my hubby's cock. When Jim came again, Liz sucked him dry before collapsing on the bed – with the cucumber still buried deep inside her snatch.

We spent the weekend in bed getting to know each other better, Liz teaching us some wonderful new tricks with all sorts of produce! I love meat, but it's good to try something else occasionally!

Juicy Jayne has a fetish for housework. Here at Razzle MILF, we think that's the best fetish we've ever heard of! Not that we're sexist, of course, but what could be more useful than someone getting off on doing the dishes, and cleaning the oven? We did ask Jayne if she'd be interested in coming over and cleaning our offices, but she told us to 'stick it where the sun doesn't shine'. Charming...

Newcomer Natalie may be new to modelling, but don't think that means she's shy. No, this foxy lady is what I think you'd term 'a cougar'. On this shoot, she made no secret of the fact that she likes fresh, nubile meat - so much so, that she had our young, trainee assistant, Ben, up against a wall within 30 seconds of initially spying him! And yes, we are jealous...

Carrie is our gorgeous Geordie, who loves getting together with her mates and getting 'tanked up' (her words!). "Me and a load of the other mums, who are my age, have a night out once a month. We get the babysitters in, and get plastered! We like to play a game, to see who can get the most phone numbers it's nice to know we've still got it!" She laughs. MILAN

You may well be familiar with this hot mama. Milan has been a regular in our sister magazine, Escort, for a number of years now. We got really excited when we found out that she now qualifies to appear in Razzle MILF, and couldn't wait to get her in! And we're bloody glad we did, as she definitely does it for us!

NO NONSENSE

Buxom Jasmine is our ideal woman. Not only does she have a figure that we dream of, here at Razzle MILF, but she is downright filthy. And if that isn't enough, she just happens to own her own boozer! "I love being a landlady. My hubby and I have an open relationship, so I take my pick of the drinkers! I've had a few cocky, young guys in before, getting all mouthy about what they'd like to do to me, but that all changes when I get 'em upstairs. I wouldn't call myself a cougar, but I admit that I've eaten a few of them alive!" Crikey...

The title of youngest MILF this issue, goes to the stunning Emma. We couldn't believe our eyes when we saw her pctures - we knew we had to get her into the magazine. With her firm, slender body, and angelic face, it's hard to believe that she falls into the MILF category, but she does - we've checked, twice!
At only 19, she could also model for our sister mag, Razzle Teen, which not many MILFs could boast of! We think you'll agree that she's definitely one to watch!

True Con

Sarah from Twickenham discovers you can get more with home deliveries than just groceries...

I usually do my supermarket shopping on the weekend, but since my boys have gotten a bit older and become interested in football, I have to ferry them about here there and everywhere, so I've started to do it in the week. It was on such a trip that I first saw Danny, the supermaket's young delivery man. He was loading up his van to do his rounds for the internet shoppers.

Although he was barely 20, his body was stunning – he was so well muscled he looked like an action hero. His biceps bulged as he lifted the heavy boxes with ease, and his bum was so tight that I longed to reach out and pinch it. As I watched him work I began to feel a bit horny. Sounds terrible doesn't it, over a boy 14 years my junior? When he noticed me staring at him, and began to guess that I was sizing him up, he raised his eyebrows and winked.

I didn't know whether to feel mortified or pleased, but the slut in me came to the surface and I blatantly looked at his crotch to see if that matched up to rest of him. Fuck! Unless he had something stuffed down the front of his underpants, it looked like he was hung like a donkey.

By the time he strutted out to the van with his deliveries, my panties were soaking and I decided on the spot that I was going to use the shop's delivery service. My husband's never home before seven on weekdays, and I knew that both sons were sleeping over at their friends' houses. That gave me all the time and the opportunity that I needed to take care of Danny, and to let this fine young man take care of me.

Picking out the frozen stuff to take with me, I hurried home to prepare myself for the delivery "boy", and I intended that when he got here he would be unloading much more than just my groceries.

"He thrust forward, pushing his cock deeper inside my mouth"

He arrived a couple of hours later, and I answered the door bell dressed for the come-on in a disgracefully short skirt. The cheeky fucker whistled at me as he came inside and put the box of groceries on the hall table.

No sooner were his hands empty, then he started to grope me. I wriggled as his hands crept up beneath my skirt and he began to roughly finger my pussy through my panties.

While I liked his enthusiasm I didn't want him to ruin my new panties, so I pulled my top off over my head to distract him. His eyes went straight to my perky tits and before I could stop him he was pushing my bra up over my boobs.

His mouth went to suck one of my nipples while he fingered the other, making my pussy hot and sticky as I tugged at his zipper in frustration. Finally, I man-

aged to get it down, and ease his jeans and boxers down over his hips. His cock was a whopper, long thick and circumcised, with a huge mushroom-shaped head, which was already dripping with his pre-come. He gasped as I wanked him slowly. "Fuck," he hissed through his teeth. He finally managed to unhook my bra and I left go his cock for a moment so I could step out of my panties. Then, holding on to his hips for balance I sank down onto my knees and began licking his helmet.

Forming my lips into an "O" shape, I eased young Danny's bell-end just inside my mouth, and started to flick my tongue at the sensitive spot on the underside, He grunted, taking my hair in his hands and holding me there as I moved my hands lazily up and down his shaft. Taking him deeper into my mouth I swirled my tongue around it, then moved one hand down to cup his balls.

He thrust forward, pushing his cock deeper inside my mouth, until it hit against the back of my throat. I bobbed my head on his solid cock and his hands grasped my hair tighter as I continued to deep-throat him.

I heard him gasp and stiffen even more, and, realising that he was too close to coming, I remembered how young he was, and knew that I would have to take charge of the situation. No way was I going to allow him to come now! Not before my pussy had been satisfied.

Using both palms I pushed him back and asked if he would like to fuck me. He seemed a little annoyed at having his pleasure interrupted, but the offer of a proper fuck appeased him, and if I had allowed it, he would have pushed me back onto the floor and taken me on the spot. His youthful eagerness was refreshing, but I prefer to do things in comfort, so I insisted that we go upstairs and use the guest bedroom.

"His cock throbbed inside my pussy, as I began to ride his thick dick."

He stripped off the rest of his clothes on the way up the stairs and we got into the bed naked together. I took charge, because I intended to take full advantage of his rigid rod and fit young body. Pushing him onto his back I straddled him. Then taking his thick shaft in one hand, I lowered my dripping pussy onto it, sliding it all the way inside me.

Danny moaned appreciatively and he thrust his powerful hips up to meet me, and I responded by raking my nails lightly down his chest. His cock throbbed inside my pussy, as I began to ride his thick dick. Up and down I went, moving very slowly and deliberately, feeling his hard cock swell as my pussy clenched tightly around it.

As his thrusts became more persistent I tilted my body slightly back so that I felt pressure on my clit with each thrust. His thickness filled my pussy completely and the friction from his vigorous pumping brought me towards orgasm.

He reached up, playing with my tits, tweaking my nipples and pulling me down on him so he could lick and bite them as my pussy went into a series of convulsions. I gasped as my back arched and I came, my juices trickling down his shaft.

Danny rolled me over so he was on top, and, nudging my legs further apart he began fucking me even harder. Pulling my legs up and pinning them back so my ankles were over my head, he fucked me relentlessly, his cock boring ever deeper inside me as I came again.

I felt a warm gush as he pumped one last time and filled my pussy with his hot, sticky spunk.

We lay there together for a long while, both of us catching our breath after what can only be described as a very satisfying 'home delivery'.

Here at the Razzle MILF office, we think sexy Samantha bears a slight resemblance to a certain Ms. Keira Knightly. Don't agree? Well, we like to think she could be Keira's mum – obviously in a really pervy 'mum-and-daughter-in-lesbo-shocker' way. Still nothing? Ah, maybe it's just us then. After all, we do spend our entire working lives looking at porn, and what was it we were told as kids? Wanking makes you go blind...

Molly tells us that she's been really excited about appearing our magazine. "It's a big deal to me!" She grins. "I've only just got my figure back, and I thought what beter way to celebrate, than to get me kit of for your readers!" Quite right, too, we say!

There's nothing we love more than a full-figured laydee! Yeah, we know it's cliched, but there really is something so satisfying having something to grab (and suck, in the tit-department!). Take Phoebe, here. We are absolutely sure that her mammoth mammeries would keep us entertained for days! We wouldn't neccessarily have to go any further south, although of course, we wouldn't say no! So, Phoebe, if you're ever at a loose end, and fancy a quick bang, you know where we are...

May might look like any ordinary mum, dressed down in her jumper and skirt, but underneath her normal exterior, lies a sexual predator. "Since my divorce, I've been making up for lost time." She admits. "I rediscovered the joy of going to bars on my own, and pulling a different guy every night! Just because I don't have a husband, I don't see why I shouldn't have fun like everyone else!" We couldn't agree more, May. Fancy a nightcap?
